Good morning Captain Reynolds,

I have attached the electronic copy of the Department's response to your latest plan of correction. I have sent out the hard copy so you should be receiving it shortly as well.

Please let me know if you have any questions,  
Kerry

Good Morning,

Could you provide me with an electronic version of the corrective action acknowledgement receipt for the recently re-submitted response and cover letter from the Suffolk County House of Corrections inspection? I am in the process of submitting a few American Correctional Association standards that need this document to proceed. Please let me know if this is possible. Thank you.
